

FIRE & SECURITY MATTERS AWARDS 2021

ENTRY CRITERIA

FIRE SAFETY TEAM OF THE YEAR

This category is designed to recognise fire safety teams that are making a significant difference in their workplace. The submission should demonstrate how the activities and initiatives implemented by the team since 1 January 2020 have helped to improve fire safety standards and performance within either their own or a client organisation.

Any accomplishments achieved prior to this date will not be eligible for entry.

Key tips for your entry

1. Keep information simple Please keep your sentences short and easy to understand. Please don't assume that our judges will be familiar with acronyms or technical terminology are used in your business. Submit your text in language that is clear and precise highlighting the merits of the submission.

2. Provide detail about the performance of the team

The judges need to know details on how the team have made a positive impact within an organisation or partner organisation. Please provide supporting evidence which shows the direct contribution the team has made to the improvements to fire safety of persons or premises.

3. Adhere to time period We will disqualify any entry that nominates an team who has made a direct impact on your business or partner organisation, in relation to fire safety post 1 January 2020.

4. You do not have to be a Fire Industry Association member or a client of Western Business Media to be eligible to enter the awards.

5. Legal proceedings If your company has been subject to any prosecution in relation to fire safety law or health and safety law since 1 January 2020, or has been subject to any enforcement notices, then your entry will automatically be disqualified.
