

FIRE & SECURITY MATTERS AWARDS 2021

ENTRY CRITERIA

SECURITY GUARDING COMPANY OF THE YEAR

This category is designed to recognise a security guarding/door supervision company that has gone above and beyond in its commitment to protect premises, staff or customers. This category will be judged based on feedback from clients on the quality of service from the nominated company.

Any company that enters must be SIA Approved Contractor. The answers to the entry questions must relate to the period 1 January 2020 onwards. Any entry relating prior to this date are not eligible.

Key tips for your entry

1. Keep information simple

Please keep your sentences short and easy to understand. Not all of the judges are technical experts so please don't assume they will know acronyms or technical lingo. Simply submit your text in language that is clear, precise and simplistically highlights the merits for its submission.

2. Product/project must be new

We will disqualify any entry that relates to feedback on projects launched prior to 1 January 2020 so please ensure that your entry meets this criteria or it will not be accepted. Your entry must relating to a guarding project no earlier than 1 January 2020.

3. You do not have to be a member of the Fire Industry Association or a client of Western Business Media to be eligible to enter the awards.

4. Provide detail about the performance of the company

The judges need to know the guarding company offers the highest standards of service. These claims need to be backed up with a testimonial from one or more clients.

5. Legal proceedings

If your company has been subject to any prosecution in relation to security laws since 1 January 2020, or has been subject to any enforcement notices, then your entry will automatically be disqualified.
